

Privacy Statement

This statement relates to our privacy practices in connection with this website. We are not responsible for the content or privacy practices of other websites. Any external links to other websites are clearly identifiable as such. Some technical terms used in this statement are explained at the end of this page.

1. General statement

Academy of Financial Literacy, Inc and its dba's fully respects your right to privacy, and will not collect any personal information about you on this website without your clear permission. Any personal information which you volunteer to Academy of Financial Literacy, Inc and its dba's will be treated with the highest standards of security and confidentiality, strictly in accordance with the Data Protection Acts, 1988 & 2003.

2. Collection and use of personal information

Academy of Financial Literacy, Inc and its dba's does not collect any personal data about you on this website, apart from information which you volunteer (for example by emailing us or by using our online form). Any information which you provide in this way is not made available to any third parties, and is used by Academy of Financial Literacy, Inc and its dba's only in line with the purpose for which you provided it.

3. Collection and use of technical information

This website does not use cookies, apart from temporary "session" cookies which enable a visitors web browser to remember which pages on this website have already been visited. Visitors can use this website with no loss of functionality if cookies are disabled from the web browser.

Technical details in connection with visits to this website are logged by our internet service provider for our statistical purposes. No information is collected that could be used by us to identify website visitors. The technical details logged are confined to the following items:

- The IP address of the visitors web server
- The top-level domain name used (for example .ie, .com, .org, .net)
- The previous website address from which the visitor reached us, including any search terms used
- Clickstream data which shows the traffic of visitors around this web site (for example pages accessed and documents downloaded)
- The type of web browser used by the website visitor.

Academy of Financial Literacy, Inc and its dba's will make no attempt to identify individual visitors, or to associate the technical details listed above with any individual. It is the policy of Academy of Financial Literacy, Inc and it's dba's never to disclose such technical information in respect of individual website visitors to any third party (apart from our internet service provider, which records such data on our behalf and which is bound by confidentiality provisions in this regard), unless obliged to disclose such information by a rule of law. The technical information will be used only by Academy of Financial Literacy, Inc and it's, and only for statistical and other administrative purposes. You should note that technical details, which we cannot associate with any identifiable individual, do not constitute "personal data" for the purposes of the Data Protection Acts, 1988 & 2003.
